	Public Health 181 (Public Health elective, Public Policy minor)
	Public Health H195B (Honors thesis seminar)
	Public Policy 179 (Public Policy minor)

I'm a fourth-year Public Health major/Public Policy minor at Cal! I was pre-med but since have switched to the pre-law track and am passionate about health policy, especially drug policy and mental health. I've also gone through about 7 minors before landing on Public Policy!
