

Public Health, Disability Studies Minor + Premed Track

FRESHMAN YEAR	
Fall Semester	Chem 1A (premed)
	Chem 1AL (premed)
	Anthro 3AC (major pre-req)
	Psych 1 (major pre-req)
	Math 16A (major pre-req + premed)
Spring Semester	Chem 3A (premed)
	Chem 3AL (premed)
	Pol Sci 4 (major pre-req)
	Math 16B (major pre-req + premed)
	Freshman Seminar

SOPHOMORE YEAR	
Fall Semester	Chem 3B (premed)
	Bio 1B (major pre-req + premed)
	Linguistics R1B (R1B requirement + premed)
	PH 116 (minor elective)
	PHYS ED 1
Spring Semester	Bio 1A (major + premed)
	Bio 1AL (major + premed)
	Chem 3BL (premed)
	MCB 50 (for fun)
	UGIS 112 (minor elective)
	URAP

JUNIOR YEAR	
Fall Semester	PH 142 (major core)
	PH 150B (major core)
	English 175 (minor core + premed)
	MCB 102 (major elective, premed)
	URAP
Spring Semester	Physics 8A (premed)
	PH 150A (major core)
	PH 150E (major core)
	International Studies Breadth
	URAP

SENIOR YEAR	
Fall Semester	PH 150D (major core)
	UGIS 110 (minor core)
	Physics 8B (premed)
	IB 131 (major elective)
	URAP
Spring Semester	Capstone Seminar (major)
	IB 140 (major elective)
	IB 132 (major elective)
	URAP
	History Breadth

I'm a Public Health major with Disability Studies Minor on the premed track. My plan is to take a gap year (or two) after I graduate and work/volunteer/study for MCAT/get my life together, and then continue on to medical school. Ultimately, my goal is to practice medicine and apply my knowledge of public health directly to the field of medicine via preventive care, specifically to disabled women.
