	Bio 1B (major pre-req)
	English 117s (arts and literature breadth pre-req)
	PH 116

I'm an intended Public Health major. After completing this schedule I will be on track to apply for the major in the spring. I am still uncertain of what field of Public Health I want to pursue, but I will be able to narrow it down with the help of the courses offered by the major.
